EVENT CANCELLATION

Dear friends,

the health situation is becoming increasingly serious. the restrictions of each country increasingly rigid. Italy is practically blocked today. We cannot make any prediction on how it will evolve.

For these reasons the Organizing Committee taken the painful decision to cancel the XXXIV Trofeo Marco Rizzotti Optimist team race (May 14th – May 17th 2020). It will be the first time and we really hope it will be the last. We will expect your participation to the 2021 event.

Teams that have already sent the entry fee will be immediately refunded.

Be careful and keep in touch.

Best regards.

The Organizing Committee

Elio Camozzi
